SUBJECT: Detail of Overseas Personnel to U. S. for Temporary Duty.

With reference to rulings as set forth in subject memorandum the following case is submitted as justification for exception to Item 2 in which it is stated that annual leave taken may not exceed time spent in active duty at post of detail.

25X1A9a [REDACTED] Acting Chief, CAF-12, [REDACTED] 25X1A6a will report to Washington headquarters for reorientation in July. He desires to use thirty days of his accumulated annual leave while in Continental U. S. In his case thirty days of active duty at headquarters is not impossible, but it is a longer period than required for reorientation. Also from an operational standpoint, it is desirable that the Acting Chief of the [REDACTED] 25X1A6a not be absent from his post longer than is necessary.

25X1A9a [REDACTED] was transferred from Washington to [REDACTED] 25X1A6a in July 1945. It has not been possible for him to take any leave from that time to the present, and it is requested that he be allowed to take thirty days of annual leave without being required to be in active duty status an equivalent length of time.
